**Name:** \_\_\_\_\_

Describe yourself as a leader:

How does your faith or experience in Church relate to your role as a leader?

How do you hope to grow as a leader in the future?

How do you hope to grow as a leader going forward?

In what ways or in what settings do you feel called to lead?

How are you different from having participated in YLS?

What was the most helpful part of your YLS experience?

What do you wish YLS could have provided that it did not?

What might we consider leaving out of YLS in the future?
