What did you learn from doing these interviews?

Who did you most connect with or relate with and in what way?

What differences in understanding or styles of leadership did you observe?

What differences in understanding or styles of church did you observe?

What strengths or wisdom might you draw from these leaders?

What approaches or experiences might these interviews inspire you to avoid?

How might one of these people serve as a mentor in your own leadership journey?

What else sticks out to you from these interviews?
